Family & Economic Security

Family Case Management:

Case Management is a customer centered, goal-oriented process for assessing the needs of an individual/family and assisting them to achieve their goals. The Case Manager “bundles” services, including education and employment options to assist the customer towards achieving economic security.

Drug & Alcohol Education Classes:

A twelve-session substance abuse prevention program offered at CAASTLC, Inc. is facilitated by certified alcohol and drug counselors utilizing informative materials and group discussion.

Anger Management Education Classes:

An eight-session program that uses cognitive behavioral theories for learning. The program places an emphasis on hope by providing methods to identify and manage anger.

Employment Development Program:

Our Employment Program curriculum teaches job search techniques, retention skills, computer skills and resume building for the job seeker.

Life Skills Classes:

Classes are offered to help our customers reach their greatest potential through education and training. Classes are offered in the following areas: Health & Wellness, Financial Management, Parenting & Family Development, Home Management, and Energy Conservation.

Individual Development Account:

An Individual Development Account (IDA) is a matched savings account designed to help participants achieve their long-term financial goals – buying a home, home repairs, purchasing a car, starting a business or enrolling in a certified education program.

Parole to Payroll-Returning Citizens:

This program is designed to help ex-offenders find satisfying work by providing successful tips to navigate the job market, developing resumes that incorporate prison education and work programs, and tools to improve an interviewee’s performance. All participants will be assigned a case manager to assist with identifying all needs and goal setting. The Makin’ It Work curriculum is a core component.

Youth Services

Youth Case Management:

Housing & Energy

Weatherization Assistance Program:

The Weatherization Assistance Program is administered by the Missouri Department of Economic Development. Weatherization reduces air infiltration into the home to help households save money on their heating and cooling bills. The average family saves over \$437 a year after their home has been weatherized. Income eligible home owners and renters are eligible for this free service.

Housing Assistance:

CAASTLC, Inc. has a comprehensive housing assistance program which includes Down Payment Assistance*, Housing Counseling, Disaster Relief*, and Rent/Mortgage Assistance*.

Housing Repair Program*:

CAASTLC, Inc. works with a variety of grant sources to provide funds for specific home repairs for St. Louis County homeowners. Participants are educated through Healthy Homes to learn techniques to have a safe and healthy home. Homes are then referred to Weatherization for additional services.

Energy Services Programs*:

CAASTLC, Inc. has several Energy Assistance Programs (LIHEAP, Dollar Help, Dollar More & Heat Up) designed to alleviate the immediate threat of utility service disconnection and assists with restoration.

H2O Help Program*:

In partnership with Missouri American Water, CAASTLC, Inc. provides supplemental funding to customers who are facing disconnection of their water services.
