Income-eligible Missourians may qualify for LIHEAP's Energy Crisis Intervention Program that helps pay cooling bills when a household's energy is shut off, threatened to be shut off, or if the household is in threat of disconnection, but has not received a notice. Although energy providers temporarily stopped disconnection notices due to COVID-19, THOSE NOTICES HAVE NOW RESUMED. It's important for all income-eligible Missourians to get help NOW to prevent service interruption. You must apply for LIHEAP to be eligible for Ameren's Clean Slate program.
